9.	Dr. Mini Bedi	Associate Professor, Obstetrics and Gynecology	Member
10.	Dr. Harijot Singh Bhattal	Professor & Head, Paediatrics & Dy Medical Supdt	Member Secretary

2. Objectives:

The death audit committee is constituted to improve the quality of treatment thereby preventing the death to some extent and to review mortalities in the hospital. The committee is to analyze preventable causes of death in order to decrease the death rate. The Committee will recommend actions for improvement and will evaluate their effectiveness.

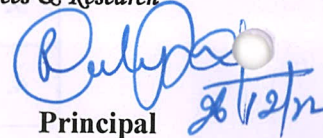

3. Functions of the committee:

- To function as a professionally accountable forum with honesty and transparency.
- To analyze patient management and documentation of case sheets.
- To discuss the issues of all medical, surgical and allied departments regarding inpatient management and to suggest measure to solve them.
- To do root cause analysis for adverse events.
- To suggest remedial measures.
- To follow up the implementation of suggested remedial measures.

4. Responsibility:

- a) Meeting of this committee shall be held once a month.
- b) The department which is presenting the case for audit will ensure that all faculty members & Residents are present (Except those on essential duty) for the meet.
- c) An agenda of the meeting will be prepared for information to all the members concerned.
- d) Details of documentations and report of the death case sheets will be discussed in details during the meeting and healthy suggestions will be given to improve the modality of the health care.
- e) On conclusion of meet, the department will submit the written report as per format attached to Medical Supdt Office within 03 days through the Member Secretary of the Death Audit committee.
- f) Minutes of the committee proceedings will be prepared and signed, and maintained in the permanent records by Member Secretary with a copy to office of the Principal.
